PRICING STRUCTURE (CONT.)

LICENSING FEES

- \$150 for first 10 images and then \$10 per image after, with no expiration.
- Licensing partners must be named prior to shoot.

DRONE NOTES

- Drone usage and anticipated flight paths must be discussed prior to flight time, preferable more than a week away. If travel is required, location will be scouted the day before photoshoot and separate fees will be incurred.
- Location of Drone photo shoot/video shoot may require additional FAA clearances.
- Client must obtain permission to fly from land/building owner; any fees are at the expense of the client.
- Drone fees may change based on building height and location due to inherent risk.
- There will be an additional fee for drone insurance that starts at \$7 per hour and increases depending on location, time of day, and amount of insurance.

TRAVEL FEES

- For travel outside of the DFW Metroplex, travel fees will be incurred.
 - Within the state of Texas (including DFW), I will charge mileage to the photo location at the current tax rate.
 - Cost of roundtrip flight (Outside the state of Texas)
 - Cost of Hotel (Number of nights will be agreed upon prior to shoot)
 - Ride share expenses or car rental
 - Per diem for duration of stay
